YOUR STONE STAYS HOT

ENJOY EVERY BITE

## PREPARE FOR THE RITUAL OF THE PERFECT SEAR.

The moment the stone reaches your table, **THE AIR SHIFTS**.

This **HOT VOLCANIC ROCK** isn't just a plate it's the stage for your meal.

Hear the immediate **SIZZLE** as the heat locks in the deep, marbled juices of our premium cuts.

Breathe in the **RICH, SMOKY AROMA** that only intense heat can create.

This is dining at its most primal where you control the heat, the timing, and the finish.

From the first cut to the final, butter-tender bite, your steak stays exactly as it should be: **PIPING HOT, INTENSELY FLAVOURED**, and perfected by you.

Your stone arrives  
at over 300° C ready for you to  
show off your skills

Sear each piece to your liking,  
turning regularly to build flavour  
and texture your way

For the best experience, cook in  
small bites and enjoy every stage  
to well done
